MINUTES

The 1952-'53 Executive Council of the Student Association held its first meeting of the year at 9:00 p.m. on Thursday, October 2 in the Bison office. Members of the Council are:

Buddy Myer, President
Kathryn Roberts Campbell, secretary
Bob Anderson and Rita Nossaman, senior representatives
Harvey Starling and Beverly Butler, junior representatives
Paul Magee and Jane Sutherlin, sophomore representatives
Andy Keen, temporary freshman class representative
Charles Pitner, faculty sponsor

The meeting was called to order by the President and the things discussed were as follows:

1. Meeting date. It was decided that the Executive Council should meet each Tuesday night at 9:00 o'clock in the Seminar room of the library.
2. Brother Dykes informed the President that \$10.00 has been set aside as a fund for games to be put in the Student Center. The Executive Council is in charge of the spending of the fund. He also said that there are to be card tables that may be set up to relieve the rush hours in the Student Center.
3. It was suggested by the President and agreed upon by the other members that a history of the works of the Executive Council would be compiled and a scrapbook kept of its activities.
4. Since the Vice-President of the Council who was elected last spring did not return to school, that office is vacant. Plans for the election will be worked up next week.
5. There is a need to amend the Constitution so that graduate students may be represented on the Executive Council. It was suggested that their representatives not have a vote.
- 6.. It was suggested by Bob Anderson, senior representative, that the matter of chimes for the outside of the dining hall be looked into. This was supposed to have been taken care of last year.
7. It was discussed as to how the Student Association may be put and kept before the student body. Keep eyes and ears

open and know what is going on. Let the student body know that the Association can accomplish something. The purpose of the Student Association is to improve the school -- relations between students, between students and faculty.

The meeting was adjourned.

Respectfully submitted,

Kathryn R. Campbell
